COFFEE TABLE MADE SMART LIKE NEVER BEFORE!
Entertainment and meetings made more relaxed!

A built-in **refrigerator drawer** keeps up to 32 drinks cold for a refreshing boost at any time.

A **touch control panel** is built seamlessly into the tempered glass top, allowing you to control sound levels, playback, and lighting with the touch of a finger.

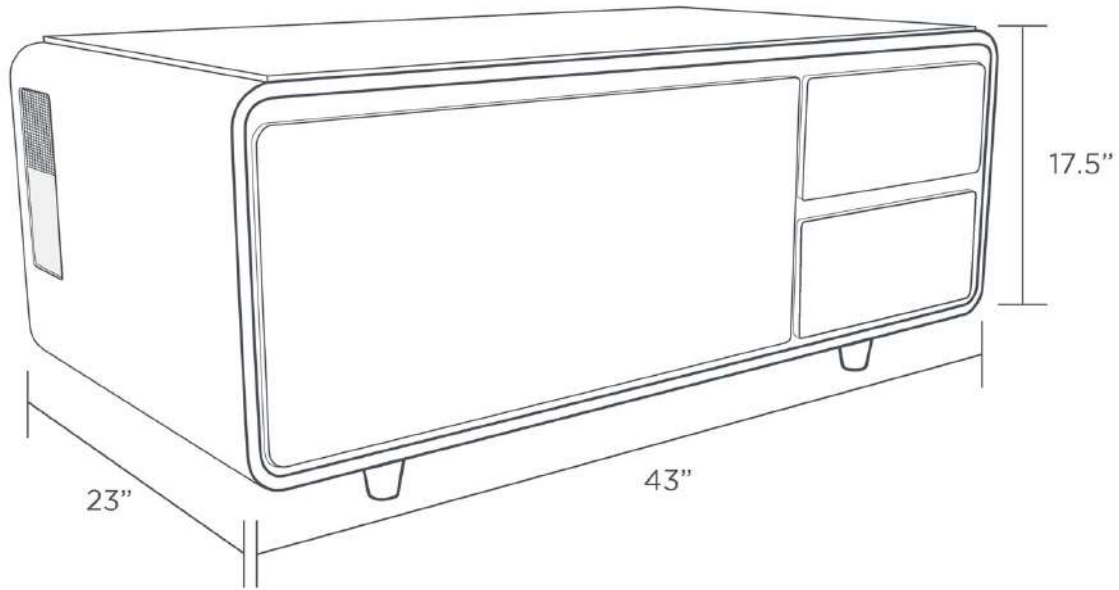

Bluetooth-enabled speakers deliver an enhanced sound experience, while 2 **USB charging ports** and 4 **power outlets** allow you to keep devices nearby and fully powered.

LED lights on the underside of the Sobro Smart Coffee Table transform your space and make for amazing ambience, whether you're watching a match or having your next big bash. Change color of LED Lights and brighten suiting your mood.

dimensions
