PROJECT SHOWCASE

Client Profile :

Volkswagen Group in India is represented by five brands: SKODA, Volkswagen, Audi, Porsche and Lamborghini. The Indian journey began with the launch of SKODA in 2001. Audi and Volkswagen entered in 2007, while Lamborghini and Porsche were introduced in 2012. Today, the Group upholds its mantle of superior engineering, with plants in Pune and Aurangabad working seamlessly to manufacture the world's most loved cars.

Segment :

Automotive Industry, Showrooms, Sales Offices, Back Office, Service Centres

Project Description :

These spaces are brought to life with a unique and stylish illumination courtesy of Stretch Fabric Ceiling Lights and Linear Lights. The perfect ambience is achieved through meticulous glare control, optimal wattage selection and the ability to choose any colour from Warm White to Cool White and even RGB. Surface Downlights add generic lighting. LED Strip Lights add accentuation, while the flexibility of LED Track Lights ensures precise focus in desired directions. In the back office, Frosted Downlights & 2x2 Square Tile Lights create a conducive working environment, featuring meticulously designed illumination and colour selection aligned with the brand.
