Where Design Meets Ingenuity

At **Uniser 360**, we set out to create more than just a lamp - we've built a statement piece for modern living. Our product reflects a seamless blend of minimalist elegance, modular innovation and lifestyle adaptability.

Born from a desire to redefine how we interact with light, **Uniser 360** is proudly designed in the USA, with every curve, detail and component imagined through the lens of refined aesthetics and global sensibility. The result; a product that feels both intuitively modern and timelessly sophisticated.

Every piece is manufactured with precision in India, using high-quality materials and finish techniques that uphold our uncompromising standards. This global collaboration ensures a lamp that doesn't just light up a space - but enhances it.

Uniser 360 isn't just a lamp. It's a design forward companion for homes that crave personality and purpose.

A dimly lit restaurant table with a UNISER 360 lamp, glasses, and plates. The lamp is a small, modern table lamp with a dark, conical shade and a cylindrical base. It sits on a round table with a white tablecloth. There are two wine glasses, one on the left and one on the right, and a plate with a fork on the right. The background is dark and out of focus, showing other tables and chairs in a restaurant setting. A vertical grey bar is on the left side of the image.

“UNISER 360 Lamps tune to your life,
your light, your style.”

UNISER 360 PILLAR

Graceful yet grounded, this cordless lamp rises from a solid cylindrical base like a modern totem. A bold accent piece that blends minimalist form with warm, focused light.
